

**The NCCA invite you to a
Leather Identification and
Cleaning Course
On Thursday 2nd September 2010
At the NSPCC training centre, Leicester**

You will learn:

- About the tanning process
- How to identify different types of leather from Aniline through to Bicast and Faux leathers
- How to determine when it is cleanable, or in need of restoring or replacing
- How to identify different finishes
- How to clean leather upholstery (with demonstrations)

**You will be supplied with course notes
and a set of leather samples**

**Cost is £115 + VAT (members), £155 + VAT (non-members)
Cancellation - Course fee will be forfeit if delegates give less than
7 full days notice of cancellation**

**Course tutor: Pawlo Woloszyn
No mobile telephones whilst course is in progress**
